- FOC current clients are seeing unprecedented success
- FOC provides a complete legal package and offers protection to all purchasers
- Complete fractional sales with the help of a full range of support business in attendance

“We tested the water at Earls Court in March and are amazed at how ready the financially savvy consumer is to embrace the concept of sharing. The product is designed to meet the aspirations, in terms of lifestyle, of our consumers and, due to the affordability of a luxury product it can also be a great investment. It is time that we highlight the difference between this and timeshare and start educating our clients”
